ML4ALL

Machine Learning For All, Machine Learning For You

Pricing That Fits Your Goals and Budget

ML4All Consultation Offer
For Professionals and companies with specific ML needs

One-on-One

$299

Price by hour

Personalized ML guidance and project support.

Service	Details	Price Range	Estimated Duration
Data Preparation	Cleaning, organizing, and preprocessing raw data for ML workflows.	$5,000–$20,000	2–4 weeks
Model Development	Building ML models tailored to specific business needs.	$10,000–$50,000	4–8 weeks
Model Deployment	Deploying ML models into production environments, including integration with existing systems.	$15,000–$50,000	4–6 weeks
Optimization and Monitoring	Fine-tuning models for performance and setting up monitoring systems for ongoing performance.	$10,000–$30,000	3–5 weeks
End-to-End Package	Comprehensive service, including data preparation, model building, deployment, and monitoring.	$40,000–$150,000	3–6 months
